CARAVAN PET POLICY:

This is a pet-friendly Caravan, lead by two wire-haired dachshunds. So pets are welcome but must be under the owner's control at all times and leashed when outside. Common sense issues like clean up of their golden nuggets should be applied. Current rabies certificates required. Coco & Dino recommend that you visit the vet before departure. Also download the Rover.com app to your smart phone. There will be days of excursions without our pooches, so jointly we will arrange for a sitter that they're well taken care of. Rover.com has worked for us. Highly recommended!
