JAZZ ROOTS

The Old River Road Turns Into The Highway Of Jazz

Hello Airstreamers! Like with every Caravan, H61R has also some unique opportunities to volunteer. Jobs are usually rotated and should be fun to do. Stand by and be prepared!

A fine example of the Family of Airstreamers: Legendary Dale "Pee Wee" Schwamborn, cousin of Airstream founder Wally Byam and son of WBCCI founder Helen Byam Schwamborn, who was 12 years old on the first Caravan to Central America, here with his wife Susan. H61R Caravan Leaders Ingo & Mary are friends with the Schwamborns bridging the gap to the original Caravans.
