This is our last issue for the 2018 "Highway 61 Revisited" Caravan. All 20 participants are listed in the column on the left side of this page. The next newsletter issue for the 2020 "H61R" Caravan will be published in January 2020. See y'all in Duluth!

Dear H61R Caravaner,

Monday, October 8th is our last day in New Orleans and most of you want to go home. Ingo & Mary live about a 2-hr I-10 drive West of the Big Easy in a small town called Breaux Bridge, Louisiana. Pont Breaux in French, it's the Crawfish Capital of the World and Gateway to Cajun Country. If some of you just want to relax for a few days and wind down after our 30-day Caravan, it is our pleasure to invite you over. You can stay safe and free near us at Bayou Teche, or you can have full hookups at an RV Park. Our son Cory (below) operates a Wildlife Adventure & Kayak Rental business in historic downtown, at the banks of Bayou Teche.
