The Caravan starts in Duluth MN, where the iconic singer-songwriter, musician, author, artist and recipient of the 2016 Nobel Prize in Literature Bob Dylan was born. We tour all Bob Dylan sites of significance in Duluth as well as in Hibbing MN, where he grew up. His 1965 album "Highway 61 Revisited" inspired this Caravan, as this once major American highway still connects us to southern places known for their musical heritage. Next are the Twin Cities, where the multi-talented recording artist Prince, who passed away in 2016, resided. We tour his extraordinary private estate and production complex just outside of Minneapolis. Going South on 61, Memphis TN is a music explorer's delight: Elvis Presley's Graceland, Beale Street with Jerry Lee Lewis Honky Tonk Café, Sun Records where Roy Orbison and Johnny Cash cut their first record, Stax Studios with Otis Redding and the birth of Soul Music. We see it all, and much more. Crossing the state line to Mississippi, 61 turns into the Blues Highway. This stretch is an education of the Mississippi Delta Blues and the rich history of this unique art form. We visit the BB King Museum and Blues Museums featuring legends as well as Morgan Freeman's Ground Zero Blues Club. We even visit a Grammy Museum dedicated to the Blues in the middle of nowhere. Heading South, Louisiana has its own music traditions. Cajun Music & Zydeco! Our final destination is New Orleans LA, the birthplace of Jazz: Dixieland, Louis Armstrong, French Quarter, Fats Domino, etc. The Big Easy is this Caravan's Grand Finale. If you got the rhythm, this Caravan's for you!
